

LICENSE

This document regulates the use of the following resources:"

Flags_Infinite_Loop_FHD_fr_designB.mov

Provided by Viz2b.com under the Royalty-Free (RF) License, granting the Licensee the right to utilize the assets in accordance with the terms and conditions outlined below.

Standard License - Resource Usage

Under the RF License, the Licensee is authorized to reproduce the assets across various media, including printed advertising materials, websites, company blogs, catalogs, and advertising in magazines and newspapers. Additionally, integration of the assets in business presentations, product packaging, and online advertising campaigns, including promotion on social networks, is permitted.

The Licensee may share the unmodified assets with employees or collaborators, transfer the license to clients or employers, and make modifications to the assets to adapt them to business needs, always respecting the copyright of the original artist and avoiding defamatory or illegal purposes.

Licensee's Obligations - Modifications and Prohibitions

The Licensee is prohibited from distributing the standalone file of the assets, creating merchandise or products for resale where the primary value is associated with the assets, and using the assets for activities related to artificial intelligence or machine learning without the written consent of the Licensor.

This license shall be governed and interpreted in accordance with the laws of the Italian State, and any dispute shall be subjected to the exclusive jurisdiction of the Italian courts.

Conclusions

By completing the purchase of the asset usage license, the Licensee acknowledges having read, understood, and accepted all the terms and conditions established in this RF license, including the perpetual nature of the license and the restrictions outlined in the preceding paragraphs.
